Thompson composts leaves, grass clippings and small brush under 3" in diameter. Finished compost is available **FREE** for residents.

(There is no food composting because of animal problems. If you do not have a compost pile at home, donate your kitchen waste to a friend's compost pile. If you must dispose of food waste, it should be deposited with household trash.)

Prohibited Items

Demolition Material: the Building Official issues demolition permits. This covers debris from renovations to homes, sheds, garages, barns, etc., stones, stumps, insulation, roofing material and similar items. The DEP strictly enforces restrictions on accepting demolition debris at the Transfer Station. Arrangements must be made with a commercial hauler for disposal of debris. Check the yellow pages of your telephone book under "Rubbish Removal."

Hazardous Waste: Household hazardous waste is not accepted at the Thompson Transfer Station. The Town participates in a Hazardous Waste Collection Day. Watch for advertising in the local paper. Please store the material safely until a collection day is held. Check the yellow pages of your telephone book under "Environmental and Ecological Services" for more information.

Asbestos/Lead Abatement: Contact Director of Public Works, Leo Adams at 923-2680 or Northeast Environmental Service, Mystic, CT, 1-599-0377

Gasoline/Gas Tanks/Fuel Tanks/Automobile Parts: Contact a junkyard.
