– Josh Kinsella, speaking as the Little League President, noted the 3-year plan for physical improvements of the playing fields is in year one, with the subsequent 2 years remaining.

5. Optional Updates from Board of Selectmen, Board of Education, Finance Director:

The Finance Director provided two updates to the BOF. \* The State's published pensions rate generated a projected savings of \$58,008 (Fringe Benefits, Pension - Line 7301)

\* Health Insurance was projected at +3-5% but will actually be a smaller increase (+2%) or a reduction of \$17,554. The two reductions (p. 50, Lines 4 and 5) would reduce the proposed budget by \$75,562. The Superintendent of Schools and the First Selectman did not comment.

6. Budget Workshop: the BOF members reviewed the proposed Budget Book page by page, with the Finance Director updating the Budget proposal in real time and “Screensharing” so everyone in attendance could see the line items. After all questions asked of the Finance Director during the meetings are researched, Budget Book page 1 will be updated, weekly.

\*\*The Budget workbook pages are numbered (top right) and the Department name is at the top of each column (left

**Budget Book Overview, page 1:** the page was reviewed. The combined Town/Education budgets result in a Tax warrant of \$22,403,864, a mil rate increase of 2.98 or 11.46%.  
Question: Increased debt service. Yes, for Bonding anticipation notes for the 3 major projects.

**Summary Expenditures pages 2-3:** the pages were reviewed

**Summary Revenue, pages 4-8:** the pages were reviewed

\*Page 7, Line 3 ( Investment income). After discussion:

B. Lynch- yes D. Johnson – yes N. Chrzanowski -yes S. Herbert – yes R. Werge- yes.

**Expenses begin on page 9.**

Each was reviewed, with note of the decreases the BOS had implemented, as well as the reasons for any proposed change from the current fiscal year. The BOF may return to any page as the budget process moves forward.

**Page 50 Sundry/ Fringe Benefits.** Motion D. Johnson seconded by B. Lynch to adjust Line 4 (Health Insurance) down by \$17,554 and Line 5 (Pension), down by \$58,008 as determined by the Finance Director as being consistent with projected costs, carried unanimously, 5-0. **Page 51 Financing.**

Motion B. Lynch seconded by N. Chrzanowski to roll closing costs into the Bond (Debt Service Line 26) increasing the loan amount although not substantially, given the low interest rates, carried unanimously, 5-0.

**Page 53 Capital Expenses and Transfers.** Repainting the school lockers, \$55,200, was advocated for, due to the upcoming accreditation visits; the BOS had removed this as a Capital expense. **Motion B. Lynch seconded by S. Herbert to restore Repainting TMHS Hallway Lockers to the budget - Capital Expense (page 53) - in the amount of \$55,200, carried 4-1.**

**B. Lynch- yes    D. Johnson - no    N. Chrzanowski -yes    S. Herbert - yes    R. Werge - yes.**

Discussion: the DPW vehicle needs, noting the projected end of some DPW equipment lease payments and the need for a Loader, perhaps leased at the current 4-5% in which case the payments would begin the following fiscal year. The Library oil tank removal and replacement was factored in after reviewing balances in the Municipal Repairs Fund and others.

**Motion R. Werge seconded by D. Johnson to modify the DPW Loader as a purchase and change it to a 7-year leased piece of equipment - Capital Expense (page 53) carried 4-1.**

**B. Lynch- yes    D. Johnson - no    N. Chrzanowski -yes    S. Herbert -no    R. Werge - yes.**

6. a. Citizens' Comments (agenda item added by the Chair):

- Valerie Clark, Alm Road, suggested that the spreadsheet indicate line items that are an expense, but which are offset by comparable income, resulting in a net-zero budget impact.

- R. Werge asked about paving. The line is \$660K after the BOS cut the budget request, which was for \$710K.    This year: \$1.1M spent in paving.
