 - Mr. Gaucher asked if Thompson is involved in the Putnam Industrial Park. Mr. Groh stated that Thompson is not involved; there have been discussions of a potential regional business park in Putnam with shared revenues with other towns. There are no final decisions or commitments on this.
 - Mr. Gaucher also voiced his concerns regarding a Regional YMCA that is proposed for Putnam.
 - Mr. Babbitt offered his complements to the Dept. of Public Works for the excellent snow removal during this past season. He also asked, on behalf of the VFW and American Legion, if the Town would donate \$400.00 from the Contingency Fund to help replace flags on Main Street and Riverside Drive. He would like to see the flags displayed from the week before Memorial Day until after Veteran's Day. Mr. Groh stated that the CL&P poles are private property and that, in the past, the Town Attorney has advised the Town not to place anything on the poles.
 - Mr. Babbitt requested that Dangerous Intersection signs be erected near the intersection of Spicer and East Thompson Roads. He stated that the street signs at the corner of Quaddick Town Farm Road and Buck Hill Road have been removed. Mr. Groh will have Mr. Adams, Director of Public Works, investigate the situation.
 - Mr. Babbitt expressed his appreciation for the smooth governance of the town.
 - Miss White also noted that the streetlight at the Spicer/East Thompson Road intersection is not working.
 - Mr. Walsh asked for clarification on the appointment of the First Selectman as a representative to the Northeast District Dept. of Health. This issue has not yet been presented to the Ordinance Committee.
