*Cathy T. Adkins*  
TOWN CLERK

1. CALL TO ORDER

First Selectman Lenky called the meeting to order at 6:10PM.

2. ROLL CALL

PRESENT: P. Lenky, First Selectman, K. Forrester, Selectman  
ABSENT: S. Smith, Selectman

ALSO PRESENT: M.A. Chinatti, Director of Planning & Development, Joe Hanrahan, Marianapolis Preparatory School, Linda Jamalowich.

3. PUBLIC HEARING

a. Marianapolis Sewer Project

First Selectman Lenky stated that this public hearing is to re-do the original public hearing held on March 5, 2014.

M.A. Chinatti stated that the reason the March 5, 2014 hearing had to be re-done is due to the fact that the Norwich Bulletin neglected to publish the legal notice of the scheduled hearing, which she was not made aware of until she recently requested an affidavit of publication and was told that the notice did not run. She further stated that the error is not a "fatal flaw" in the process, and that the Town Meeting and the Referendum vote are still valid, but the formality of a public hearing must still be completed.

First Selectman Lenky stated that the only change since the March 5 presentation is that the boring will come from Route 12 and bore

uphill, as opposed to boring down from Rt. 395 to Rt. 12 as was originally planned.

There were no questions/comments from the audience.

#### 4. ADJOURNMENT

**(M/S/C Forrester/Lenky)** to close the public hearing and to adjourn at 6:13PM. Motion carried unanimously.

Respectfully submitted,  
Mary Ann Chinatti, Director of Planning & Development
