Ken Beausoleil *Town-Ex Officio*

Chair R. Waldron distributed copies of the Branding Plan/Strategies timeline and priority document, compiled from the submissions of T. Penn-Gesek, Brian Santos and Chair R. Waldron. While awaiting arrival of members, it was reviewed.

The Chair of the Economic Development Commission has been asked to add an item to their September regular monthly meeting agenda: to consider reducing the number of members of the Branding Subcommittee, with some current members serving as alternates. It is the consensus of the group that this modification would best serve the interests of the town.

1. Call to order: as there was no quorum, the meeting did not convene.

Respectfully submitted by Dorothy Durst, Recording Secretary *DorothyDurst*

These minutes have not yet been approved by the Branding Implementation Committee. Please refer to next month's meeting minutes for approval of and/or amendments to these minutes.
