

This project is partially funded by the USDA's OUAIP Agreement #NR233A75800560336

You Are Invited!

**Please join us for a special evening of discussion, game play and light supper.
The Louis P. Faucher Community Center of the Thompson Public Library
Thursday 9 November 6-8 p.m.**

What is the event? As a part of the ongoing public planning project related to the future facility to be located at 65 Main Street, we invite you to play a game with us! Join members of Thompson's Boards, Committees and Commissions and your fellow citizens in a problem-solving card game to imagine innovative possibilities to bring this historic Town-owned building back into public use. Participants will be placed on teams, posed a challenge, and given simple tools to guide them in discussions about how to best envision the programming, site design, business and maintenance plan for the future facility.

Who is invited? Interested residents of Thompson, as well as members of elected and appointed Boards, Committees, Commissions and Staff are invited to attend. For this workshop session, participation must be capped at 60 players, so **an R.S.V.P. is required. Please reply to planner@thompsonct.org by Friday 3 November** if you wish to join us. Light supper will be provided, to keep your energy up for an evening of serious play!
