

ORDINANCE NO. 10-054

REFERENDA NOTICES

WHEREAS, Section 7-9c of the Connecticut General Statutes provides that no referendum may be held earlier than the 30th day following the day upon which the municipal clerk warns the meeting by publishing a notice in a newspaper having general circulation in Thompson,

WHEREAS, Section 7-9c allows the Town, by ordinance, to modify the minimum amount of time between the published notice and referendum,

WHEREAS, it has been determined that a mandatory 30-day time between publication of notice in a referendum may be unnecessarily long and may prevent timely action by the town,

Now therefore, BE IT RESOLVED by the Town of Thompson that:

No referendum shall be held earlier in the 21st day following the day in which the town clerk publishes a warning of the referendum in a newspaper having general circulation in the Town of Thompson.
