

Instructions for Viewing Thompson's New FEMA Flood Insurance Rate Maps Effective September 7, 2023

To view a digital copy of the new FEMA floodplain mapping that is to go into effect September 7, 2023 go to: <https://msc.fema.gov/>

Hit the "Search All Products" link in the middle of the page.

Then in the drop-down boxes pick Connecticut for State, Windham for County, Thompson for Community. then hit "Search"

Click on the link to "Pending Products"

Click on the link to "FIRM Panels"

A list of the map panels comes up dated 9/7/2023, click on the download button on the right. In the map below Thompson boundaries are identified by a yellow outline. Using this index map select the panel that is of interest to you. Note that any panel preceded by any asterisk (*) contains no FEMA special flood hazard area and is not available.
