a. **Application 15-06:** Francis and Charlene Langlois, Applicants and Owners of Record. For property at 1020 Riverside Dr. Map 167/Block 88/Lot 15/Zone R-40. Requesting zone change to commercial.

1. Charlene Langlois recused herself because she is one of the applicants. Christopher Nelson recused himself because he is a friend of the applicant.
2. Norm Thibeault of Killingly Engineer Associates spoke on behalf of the applicants. He explained that the applicants were seeking a zone change for a 1.5 acre parcel of land on the west side of Riverside Dr., the location of a former textile mill across from the Knights of Columbus in North Grosvenordale, CT.
3. G. Lee asked if the applicant submitted the green cards/certified mailers on time. N. Thibeault explained that there were mailed out in accordance with regulations, but that they were brought to Town Hall one day later than regulations call for.
4. J. Rice stated that the ZEO is not in the office on Tuesdays, the day the green cards should have been submitted, and stated that the official ZEO should receive the green cards.
5. Charles Paquette stated that the issue is an insignificant flaw, and that the Commission used to have applicants submit their green cards at the meeting itself.

TELEPHONE (860) 923-9475 · FAX (860) 923-9897**

7. N. Thibeault continued with his presentation, stating that the mill itself had been built in 1890 and operated as a mill, an industrial use, for about 100 years; the zoning regulations were adopted in 1975 and zoned the property as residential. He stated that the applicants are currently operating a dance studio on the south side of the building and are looking to do improvements on the other side to set up a small number of commercial spaces. He explained that if the Commission voted favorably, there would still be some contiguous zoning property because of property across the street zoned commercial. He also explained that this property being zoned commercial seems to be supported by the Town's Plan of Conservation and Development.
8. Charles Paquette stated that commercial use would be less intensive than the previous industrial use, and that more commercial use in Thompson on the route 12 corridor would be good for the Town.
9. **Charles Paquette moved and Randolph Blackmer, Jr. seconded the motion to close the public hearing for application 15-06.**

- b. Sharon Recore, 46 Townes Lane, explained that she wrote a letter to the First Selectman that was presented as correspondence at a Board of Selectmen meeting on June 2, 2015, and she was told that the letter would be sent to the Zoning Office. She stated that she noticed that the letter was not mentioned under correspondence on tonight's agenda, and asked if she should submit the letter to the Commission directly.

He stated that the First Selectman stated that he is doing these things, but that it never gets forwarded to the proper Boards. He added that if the First Selectman sends something to D. Pimental's home about Starr Rd., then the First Selectman should be sending it to the Commission as well, and that there is a bunch of people that this is happening to.

8. Reports of Officers and Staff

a. Monthly Budget Review

1. J. Rice stated that the total bottom line budget still has a surplus of about \$6,000, but that the budget is over-spent in Professional Services because of the \$100 per meeting pay for the Recording Secretary for the sub-committee meetings, and the fee for the lawyer at the Starr Rd. Town Meeting.
2. G. Lee stated that the lawyer fee should not come out of the PZC budget because PZC did not ask for the lawyer to be present, and PZC was not told about the meeting.
