The Fair Housing Officer is responsible for the intake and processing of all housing complaints as well as implementation of the Fair Housing Plan. While not expected to be an “expert” in Fair Housing Laws, at a minimum, the officer will be familiar with the
complaint process and Federal and State Laws which address Fair Housing. Records which show the date, time, nature of complaint and decisions made in the complaint process(es) will be fully documented. A separate file will maintain a record of all housing discrimination complaint and follow-up actions.

III. Complaint Process

Housing discrimination complaint forms such as Forms HUD-903 and HUD-903A (Spanish version) from HUD and form 907 from the State of Connecticut Commission on Human Rights and Opportunities, as well as a summary of actions which constitute housing discrimination, and instructions for completing and filing housing discrimination complaints will be made available to citizens at the Selectmen’s Office, first floor of the Town Hall, 815 Riverside Drive, N. Grosvenordale, CT 06255 and the Community Development Office, second floor of the Town Hall, at the same address.

The Fair Housing Officer will take the complaint and attempt to clarify the situation. The individual(s) filing the complaint will then be advised of the option of filing directly with the Department of Housing and Urban Development (HUD), the Connecticut Commission on Rights and Opportunities (CHRO), or the Equal Employment Opportunity Commission, or with all agencies simultaneously. The Fair Housing Officer will keep a record of the final settlement made on all complaints.

IV. Education and Outreach

The Town of Thompson has adopted the attached resolution and policy statement to publicly endorse the commitment to Fair Housing.

The Town recognizes the Fair Housing Month of April and will support and/or undertake Fair Housing activities, such as seminars and poster contests, throughout that month and throughout the year.

The Fair Housing Officer will solicit support and letters of compliance from local lending institutions and Board of Realtors using the attached endorsements.

The Town shall periodically prepare, solicit and provide public service announcements for local radio and/or TV stations in order to provide knowledge and information about Fair Housing.

The Town will display Fair Housing posters identifying the Fair Housing officer, address and phone in prominent locations. In addition, fair housing information will be distributed outside of traditional municipal locations including local vendors and bank lobbies.

All advertising of residential real estate owned by the Town for sale, rent or financing must contain the Fair Housing logo (see below), equal opportunity slogan as a means of educating the home seeking public that the property is available to all persons regardless of race, color, religion, gender, sexual orientation, marital status, lawful source of income, familial status, national origin, ancestry, age or mental or physical disability.
All bid advertisements by Town sponsored programs must include the phrase “Equal Opportunity/Affirmative Action Employer.” The type of logo, statement or slogan will depend on the type of media being used (visual or auditory). All logos/statements must appear at the end of the advertisement.

V. Analysis of Impediments

In compliance with Executive Order 12892, the Town of Thompson will conduct a review of policies, practices and procedures that affect the location, availability and accessibility of housing and current residential patterns and conditions every five years.

The Fair Housing Officer shall request that each lender with Office locations within the community provide to it at no cost, an annual CRA statement. The Fair Housing Officer shall also request that the local Board of Realtors provide a copy of their Affirmative Fair Housing Market Agreement. This data will be used as outlined above and the Fair Housing Officer will present it to the Board of Selectmen, with recommendations for change if necessary.
