**Citizens’ Comments**

1. Rodney Brooks, 42 Center Street, explained his situation and what he is trying to do which is to cap his old cess pool, install a septic system and utilize a different well; this would be after he purchases some neighboring lots. The ZEO has denied his proposal; this was not put in writing and does not have to be per the ZEO. It was the consensus that Rodney Brooks will need to apply for a variance and come back before the Board. The ZEO will guide him through the process.
